

Energy is Form - $E=mc^2$

[1Co 6:14 KJV] And God hath both raised up the Lord, and will also raise up us by his own power.

Information - true or false.

Heavenly Father (true incorruptible form)
or earthly father (false corruptible form).

The energy is the power as it is the
carrier of information.

The cross is the crossing out
of the false information of a corruptible
body.

Jesus died on a cross and he arose from
the dead, thereby crossing out the false
information of a dying, corruptible body.
This energetic power then showed the true
information of an INCORRUPTIBLE body.
